

Discover the Flyway has joined the EarthEcho International Water Challenge!

Water Quality Testing data collected by Discover the Flyway classes will be posted on EarthEcho International's site. To view this data, compare it to local and international water quality monitoring, and learn more about how you can get involved in protecting water resources, follow these steps:

Log in to EarthEcho International <https://earthecho.org/>

Hover over the PROGRAMS tab

Click EarthEcho Water Challenge

Click "Browse Results"

Click the search icon (upper right of screen) and enter Yolo, CA, USA

Increase map size to locate I-80 between Davis and West Sacramento

Search the map and hover over the single purple circle just south of I-80 (east of El Macero and west of West Sacramento)

Location: Seasonal Pond at Yolo Bypass Wildlife Area Headquarters
