

Nature Bowl 2025

Recording of Coaches Workshop

2025 NB Coaches Workshop <https://www.youtube.com/watch?v=WEe2AShqf9o&t=1080s>

A few things to know about this recording:

The first 15 minutes or so of the recording is just folks joining the workshop. There were a handful of questions asked about NB during this time, so if you are curious about those, you are welcome to listen in, however the actual workshop starts at the 18 minute mark. The link is bookmarked to start at that point.
